

2020 Night

Out of Nothing...

WINEMAKING

Grapes from our Black Sage Bench and Golden Mile vineyards were selected to create this elegant blend of 43% Merlot, 19% Malbec, 14%, Cabernet Franc, 13% Cabernet Sauvignon, and 11% Petit Verdot.

The cool nights' air off the mountain range and lake lowers the vineyard temperature just enough to slow down the ripening process to develop richer fruit with more complexity.

TASTING NOTES

After 19 months in French oak, this Bordeaux-style red wine boasts aromas of plum, blueberry, blackberry, and cassis. The palate shows perfectly balanced flavours of haskap berry, blueberry, vanilla, fresh ground espresso, and a touch of eucalyptus. The silky tannin finish is as long as warm Okanagan nights...
