

2021 Night

Out of Nothing...

WINEMAKING

All components for the Night were fermented as a single variety and barrelled for 12 months. After that period we did our blending trials and decided on the 2021 Night. We then put the new Night blend back into barrel and let it rest for another 7 months before we bottled it. Total of 19 months in French Oak, 25% new.

TASTING NOTES

After 19 months in French oak, this Cabernet dominant Bordeaux-style red wine delivers a burst of raspberry jam, dark chocolate, and cinnamon bark. The velvety tannins linger long on the palate, allowing you to savour the dedication and craftsmanship poured into each bottle.
