

2023 Sparkling Imagine

Out of Nothing...

WINEMAKING

On October 11th and 18th, 2023, Riesling grapes from three different locations throughout the Okanagan Valley were harvested for the 2023 Sparkling Imagine. When the first grapes arrived to the winery, they were processed and the ferment began. As the remaining grapes came in, the juice from them was added to the active ferment. It was a long, cool and slow ferment. We finished this fresh wine off in a prosecco-style.

TASTING NOTES

On the nose, the wine greets you softly with fresh, inviting aromas of ripe Granny Smith apples and sweet honeycomb. Vibrant acidity, with bright notes of tart Bearss lemon that dance playfully on the palate. The perlage is crisp and refreshing, creating a delightful sensation that lingers, leaving your mouth watering and eagerly anticipating the next sip.

APPELLATION: Okanagan Valley

COMPOSITION: Riesling

BOTTLE SIZE: 750mL

ALCOHOL: 12.6%

RESIDUAL SUGAR:

ACIDITY:

BOTTLED DATE: April 2024

NUMBER OF CASES:
